

Celebrate the Past

Embrace the Future

## St. Paul 'S HiStory Book available

*“Celebrate the Past - Embrace the Future: St. Paul's United Methodist Church, Ithaca NY, 100 Years Young - 2008”* by Richard and Mary Lou Tenney. 118 pages. A history of the Methodist Churches at 402 North Aurora St. from the “Birth of Methodism” to the year 2008 and looking to the future.

This book is a compilation of all of the information presented during the 2008 Centennial Year celebration at St. Paul's. The 11 chapters, plus additional pictures and information, cover the material presented monthly to celebrate the 100 years since the construction of the present church building. This includes articles in *St. Paul's Letter*, pulpit presentations and bulletin trivia notes.

In looking to the future, information is given regarding current activities in the church that continue into the future. It is interesting to note the difference in types of present activities compared with those of the past.

Copies may be ordered and picked up at the church for \$15 each.  
(Mail orders - \$18 for Book/Media rate and \$20 for First Class mailing)
